

EAHP 49th General Assembly 13 - 16 June 2019 • Edinburgh

#EAHPGA2019

making the difference in medication use

Eesti delegaadid:

Liisa Eesmaa (2016-2019)

Jüri Arjakse (2012-2019)

Kohal oli 32 riiki+ 3 häält oli delegeeritud

AUSTRIA	HUNGARY	ROMANIA
BELGIUM	ICELAND	SERBIA
BULGARIA	IRELAND	SLOVAKIA
CROATIA	ITALY	SLOVENIA
CZECH REPUBLIC	LATVIA	SPAIN
DENMARK	LITHUANIA	SWEDEN
ESTONIA	MALTA	SWITZERLAND
FINLAND	MONTENEGRO	THE NETHERLANDS
FRANCE	NORWAY	TURKEY
GERMANY	POLAND	UNITED KINGDOM
GREECE	PORTUGAL	

Korraaldajad

Eesti delegatsioon

Country report (tegevuse ülevaade)- uus formaat al 2019

- Varem (kuni 2018) 2 Power point slaidi+ iga riik suuliselt 2 minutit suuliselt
 - aeganõudev, ei peetud kinni ajalimiidist
- Uus- iga riik koostab postri pdf-na, valitakse 5 riiki, kes saavad esineda 8 minutilise suulise ettekandega
 - Annab võimaluse postritega eelnevalt tutvuda ja süveneda suulistesse ettekannetesse

Eesti tegevuse ülevaade (Country report)

EESTI HAIGLAAPTEEKRITE SELTS

ESTONIAN SOCIETY OF HOSPITAL PHARMACISTS (ESHPP)

Educational events

Annual Spring Conference:

Infection diseases (March 2019)

- The second day seminar: Statement implementation: community of interests and unified acts: 5 workshops.
- Meeting of Estonian clinical pharmacists.

Seminars:

- Medical devices for medicines preparation and administration in hospital wards
- Psychiatry
- GCP advanced training for hospital pharmacists
- FMD + risk assessment
- Pregnancy and chronic disease + FMD – current situation

International collaboration

EAHP

- MedRec project, funded by EAHP. Implementation of Medication Reconciliation in Estonia, Latvia and Finland in Co-Operation with Sweden and United Kingdom. There were two face-to-face meetings, one in Estonia and one in Finland. We developed the proforma as a tool for medication reconciliation and protocol for the pilot study.
- EAHP Academy seminars – 4 members participated in 2018. Short presentation of the topics was done in one of the society's Educational Seminar.
- Other: participating in EAHP's Statements Implementation project, CTF project etc.

ESOP

- Translation of Oncology Pharmacy Quality Standards (Quapos 6) into Estonian.
- Other: participation in ESOP's projects.

BaltPharm Forum – Educational event for Baltic countries.

Other activities

- Competence Assessment of Estonian hospital pharmacists and pharmacy technicians. The assessment is optional and the competency certificate is valid for 5 years.
- The Estonian translation of EAHP Statements was reviewed and updated on EAHP webpage.
- Participation in meetings about legislation issues at the national level.
- Guideline for hospital pharmacy practice for pharmacy technicians' students, in cooperation with Tallinn Health Care College.
- New ESHPP Board was elected in December 2018.

Future plans

- Regular ESHPP educational activities (Annual Spring Conference and Seminars on different topics)
- Development of mission and vision of ESHPP
- Elaboration of the strategy of ESHPP
- Elaboration of the action plan based on the strategy of ESHPP
- Legitimation of the clinical pharmacist profession
- Continuing of the statement implementation
- MedRec Project (Pilot study will be carried out in Estonia and results will be published)
- Establishment of a network for development of pharmacy education with professional organisations and educational institutions
- Continuing international collaboration

Välja valitud suulised tegevuse ülevaated

- Prantsusmaa
- Holland
- Hispaania
- Slovakkia
- Portugal

Põnevad projektid/
seadusmuudatused/sündmused,
mida on huvitav kuulata kõigil
EAHP GA delegaatidel/riikidel

Prantsusmaa

Publication of the Decree on hospital pharmacy: at last !

- We were waiting for this law text for 2 years.
- Its objectives :
 - The legislative definition of hospital pharmacy
 - Legal and official framework of the new activities of hospital pharmacists
 - To enhance the value of these new activities
- Very important for :
 - The mandatory post-graduate specialization
 - The new tasks and missions of hospital pharmacists :
 - Clinical pharmacy (including medical devices)
 - Advanced therapy medicinal products (ATMP)
 - ...
 - Conditions for the replacement of the chief pharmacist

• Haiglafarmaatsia residentuuri reform

- 4 aastane spetsialiseerumine peale põhiõpet

Holland

Main achievements 2018:

- The development of the NVZA Science Agenda.
- Public information films about pharmaceutical care and hospital pharmacists.
- The development of a pharmaceutical care module to include in specialist medical standards and guidelines.

- Haiglaapteekri töö sisu tutvustavad videod

- Ravimid haiglas
- Mida haiglaapteeker teeb Teie jaoks haiglas

CAR-T POSITION PAPER
&
CIRCULATION OF BIOSIMILARS POSITION PAPER

INTENSE EDUCATION ACTIVITY: > 40 scientific & training sessions/year

HUMANIZATION PLAN IN THE HOSPITAL PHARMACY ACTIVITY

Kohaliku Seltsi rahvusvaheliste suhete parandamine (ASHP, EAHP)

SLOVAKIA

STUDENT PRACTICE IN HOSPITAL PHARMACY

* RESULTS OF 3 SURVEYS *

In Slovakia we try to support the implementation of Statement 6.1. by advocating that every pharmacy student should spend one month in hospital pharmacy of their six month professional training.

73% Hospital pharmacies support the idea of students training on regular basis.

95% Students appreciate their practice in the hospital pharmacy.

Mandatory student practice in member countries

YES 13
YES/NO 5
NO 16

STATEMENTS BROCHURE AND BOOKLET

* TRANSLATION *

To increase awareness of implementation project the Statements Brochure and Statements booklet have been translated. We got a grant for publishing it together with the Journal of Slovak Chamber of Pharmacists, which is monthly spread to more than 4 000 pharmacists in Slovakia.

WORKSHOP ABOUT SELF-ASSESSMENT TOOL

Our national association is organizing the workshop about SAT for heads of the pharmacies. It will take place in Bratislava on 28th of May. We are going to fill the SAT together.

HOSPITAL PHARMACY

* REGULARLY WRITING *

We managed regular publication about hospital pharmacy topic on monthly basis in two pharmaceutical journals which are spread to all pharmacists and pharmacies in Slovakia. Last year we started with „Pharmacy Journal“, we added in „Pharmacist“ since January. (History of hospital pharmacy in SK, SAT, seminars about clinical pharmacy, Congress of EAHP in Barcelona...)

CLINICAL PHARMACY WORKSHOPS

As a support for clinical pharmacy services there are organized workshops in Bratislava on monthly basis about the role of hospital pharmacist in clinical practice. It is not only for pharmacists, but also for medical doctors. These workshops have a very positive response.

XXVIII. Congress of hospital pharmacy
Hospital pharmacist as a part of the multidisciplinary teams
Bratislava 24.10. – 25.10.2019

Country report 2019

Töötuba „self assessment tool“ 23 haiglaapteeki täitsid seda koos

- LOCAL EVENTS MEETING/ CONGRESS
 - BIOLOGICOS e BISSIMILARES
 - “UPDATES IN... BIOLOGICAL AND BISSIMILARS” - 124 PARTICIPANTS
 - TOMAR - 2018, MARCH 8th, 9th
 - 9th Reunión de Oncología APFH - 25-26 EVORA
 - “9th ONCOLOGY MEETING” – 168 PARTICIPANTS
 - LISBOA – MAY 26th, 27th
 - FARMACÉUTICOS
 - “XI NATIONAL CONGRESS” – 608 PARTICIPANTS, ESTORIL, NOVEMBER 21st, 22nd
 - 5 WORKSHOP / 40 HOURS - 91 PARTICIPANTS
 - BASIC TRAINING
 - 5 COURSES / 60 HOURS-137 PARTICIPANTS
 - COIMBRA (APFH - Head Office)
 - T1 | Health Economics Assessment Pharmacist Perspective
 - T2 | Intestinal Inflammatory Disease
 - T3 | Hematology-Hodgkin's Lymphoma and Multiple Myeloma

Country report 2019

Projekt „Ülikooli farmaatsia osakonna lähendamise realse haigla farmaatsiaga“

EAHP põhikirjamuudatused

- Võeti vastu
- Olulisim muudatus:
- Lisaks liikmetele on nüüd võimalik ka astuda seotud liikmeks (associate member) ja huvitatud osapooleks (interested party)
 - Seotud liige- ei sobi liikmeks kuna asub väljaspool Euroopa Nõukogu (European Council)
 - Huvitatud osapool- organisatsioon, asutus või üksikisikud (nt riigis puudub haiglaapteekrite organisatsioon), kes toetavad EAHP tegevusi vastavalt põhikirjale

EAHP põhikirjamuudatused

- Seotud liikmed ja huvitatud osapooled
 - Ei oma hääleõigust ega ei tohi osa võtta peaassambleest
 - Saavad osaleda koolitustel ja kasutada väljatöötatud ressursse (SAT, SILCC, ajakiri jms)
 - Peavad maksma spetsiaalset liikmemaksu

Uued EAHP seisukohti käsitlevad dokumendid (position papers)

- 1) Tarnehäired- Position paper on medicines shortages
 - https://www.eahp.eu/sites/default/files/eahp_position_paper_on_medicines_shortages_june_2019.pdf
- 2) Vananev ühiskond- Position paper on ageing society
 - https://www.eahp.eu/sites/default/files/eahp_position_paper_ageing_society_june_2019.pdf

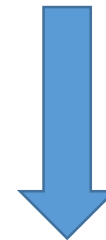

Koolituste akrediteerimine

<https://www.acpe-accredit.org/>

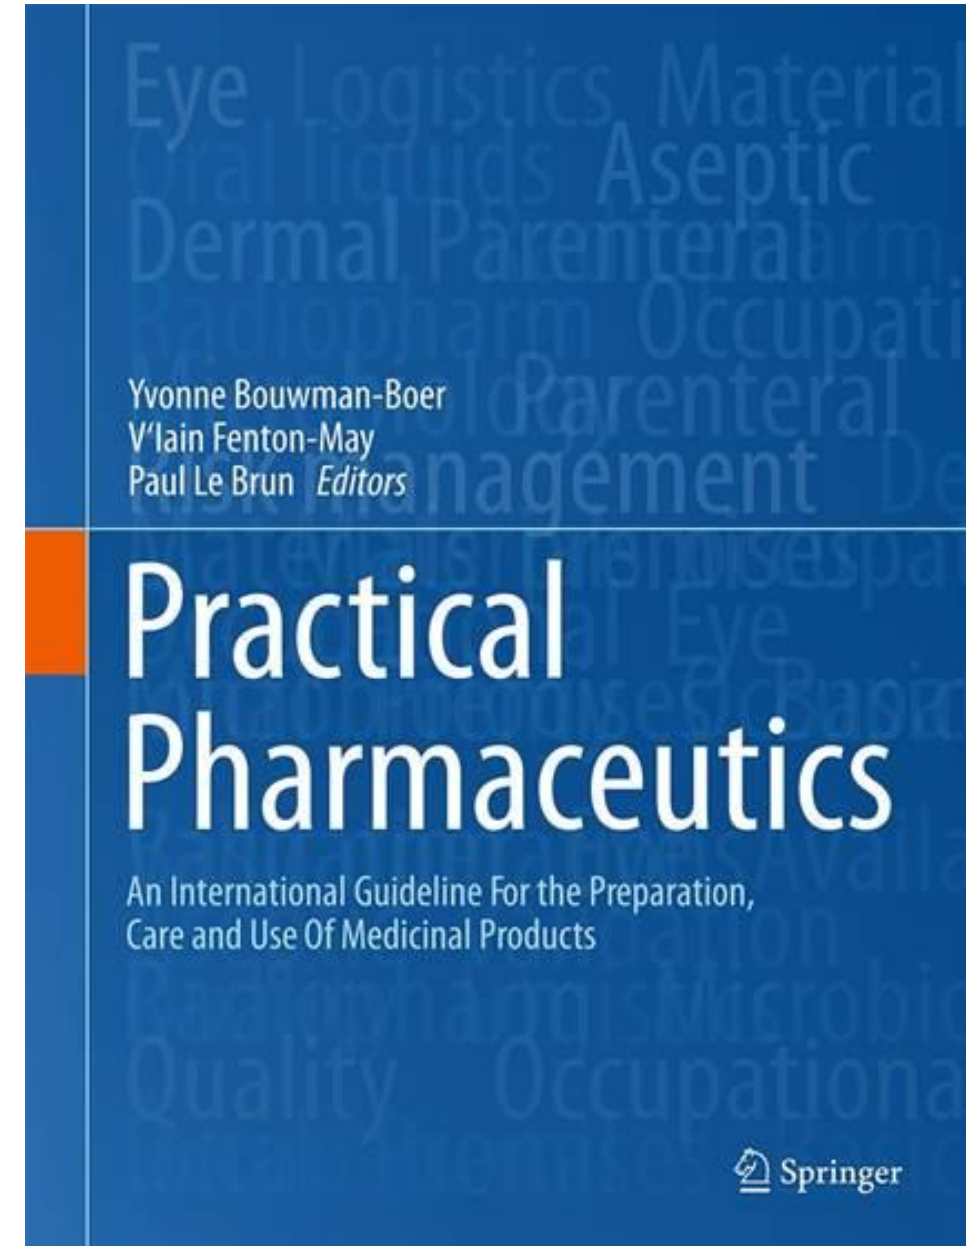

The American
Council on
Pharmaceutical
Education

- Seni kasutusel ACPE (Ameerika), plaanis luua uus Euroopa farmaatsiahariduse/täiendkoolituse akrediteerimise organisatsioon

Practical Pharmaceutics raamat

- Plaanitakse teist väljalaset
 - EAHP juhatus leiab, et tegemist on vajaliku raamatuga tähtsal teemal ja kui kirjastajaga saadakse kokkuleppele, siis tehakse uus versioon
 - Eelmise versiooni väljaandmisel/levitamisel oli probleeme

Valiti uus EAHP juhatusse liige

- Tagasi astus Cees Neef
- Uus juhatusse liige **Tjalling van der Schors** (Holland)

Kandidaadid olid:

**Voting Ballot for board members
2019 - 2022**

(You may choose a maximum of one candidate)

Candidate	Vote with "x"
Ana Lozano Blazquez	
Ioan Antofie	
Tjalling van der Schors	

Järgmised peaassamblee toimumiskohad

- 2020

Brüssel

- 2021

Krakov

Jõudu uutele Eesti delegaatidele: Ülle-Helena Meren ITK
Liisa Randmäe TÜK
